MINOR

If the applicant is a minor, the brand must be registered in the name of the minor and parent (guardian) and both must sign the application form. When the minor turns 16, then by way of a transfer, the name of the parent (guardian) can be removed from the registration. Until that time, the livestock must be manifested in both names.

OWNERSHIP

A brand can be registered in more than one name with an 'and' between them. If an 'and' is used between names, then both names (all names) must be put on the Manifest and that is the way payment would be made out.
